

Live Well *this Fall*

F **EEET:** Our feet create the foundation for our bodies. We can help you with our custom orthotics, shoes or our new Okabashi sandals!

A **DJUSTMENT:** Chiropractic adjustments help relieve pain and restore normal functioning to the spine, joints and supporting structures of the body – so you can enjoy your everyday activities again as quickly as possible.

L **EARN:** The average person falls asleep in seven minutes.

L **AUGH:** A day without sunshine is like, you know, night. ~ Steve Martin

In accordance with the Ontario Chiropractic Association schedule, as of October 1st, our rates* will be as follows:

Consultation: complimentary | **Initial Visit:** \$75 | **Chiropractic Adjustment:** \$35
Graston Technique: \$40/session or \$375/10 sessions *Please see office for full details
